Dear Potential Partners:

The Agape Family Life Center (AFLC) is a non-profit organization in Hardeeville committed to empowering individuals and promoting family excellence in Jasper County. We strive to do this by providing programs and services that address existing needs as well as emerging needs, especially for our youth. We are asking you to partner with us to help keep our goals for the community alive.

We are hosting a YMCA Summer Camp and are in need of sponsors to support us in providing our community youth with a variety of fun and exciting activities in a safe environment. A contribution from you will give us the jumpstart on obtaining the seed money we need to implement our camp.

We rely totally on contributions from private citizens and organizations like yours for support. Governmental funding for non-profit organizations has been either curtailed or drastically reduced. Our needs are severe and becoming critical and any support that your organization can give would bring a huge relief to AFLC. Your partnership with us will ensure that the center is successful and it will be an investment in the community's future by helping to create a place for programs and services that will reach out to its residents. Our center is organized and operated as a charitable tax-exempt organization within the meaning of Section 501©3 of the Internal Revenue Code and all contributions are tax-deductible.

We hope you will consider partnering with us. If you can assist us with our request we will greatly appreciate it. Please feel free to contact us at 843-784-6008 if you need any additional information concerning this request.

Thanks for all that you do!

*Dr. Deloris M. Young*  
Executive Director
